2.3- Saying "What is this ?" "Bu ne ?, Bu nedir ?" "What is that ?" "O ne ?, O nedir ?"

There are two forms of saying "What is this" in Turkish language. In everyday conversation people generally say "Bu ne ?" which is informal and less polite than saying "Bu nedir ?". The demonstrative pronoun "Bu" can be changed with "Şu or O" in order to say "What is that" "Şu ne" or "O ne"

Now please have a look at the first three examples in the table below and create your own questions and answers putting the words in a correct order just like in the examples. As always please, do not hurry while you are pronouncing the sounds and do not let your brain interfere this process by listening to your own voice carefully.
